

Mezzano Spec Sheet

Traditional extended-front wood-fired pizza oven | 70 cm and 90 cm internal diameter

The Mezzano has a traditional oven shape with an extended front, giving a slightly larger usable cooking floor. It is made in our Cape Town workshop from the same core materials, and with the same construction method, as the Piccola.

SPECIFICATIONS

SPECIFICATION	MEZZANO 70	MEZZANO 90
Internal diameter	70 cm	90 cm
Oven footprint (W x D)	1000 x 1100 mm	1200 x 1300 mm
Front width	790 mm	830 mm
Overall height, excluding flue pipe	approx. 780 mm	approx. 840 mm
Door opening (W x H)	460 x 250 mm	540 x 290 mm
Straight base (W x D x H)	1000 x 1100 x 1000 mm	1200 x 1300 x 1000 mm
Corner base (W x D)	1200 x 1200 mm	1400 x 1400 mm
Flue section	approx. 500 mm	approx. 500 mm

SUPPLIED WITH EVERY OVEN

- Oven door
- Pizza spade
- Firebrick cooking floor
- Insulated dome and floor
- Granite landing at the oven mouth
- Stainless-steel flue section

FINISHES

Workshop-painted in off-white, black, light grey, cream or terracotta. Popular brick-arch colours are red and black; other suitable bricks can be sourced on request, subject to availability.

OPTIONAL EXTRA

Purpose-built wheeled steel stand, quoted separately. A stand makes the oven movable on a firm, level surface; the oven remains heavy masonry.

BEFORE YOU BUILD

- A level, non-combustible base strong enough for a heavy masonry oven
- A clear route for delivery: measure the narrowest gate or doorway
- If carrying by hand: a minimum of 4 people for the Mezzano 70 and 6 people for the Mezzano 90
- Enough clearance for the flue, and local building requirements if the oven will be under cover

Ready for a quotation?

WhatsApp or call 073 795 0489, or email sales@ecopizzaovens.co.za with the model, your town or suburb and any access details. Current prices are listed at ecopizzaovens.co.za.

How the Mezzano is built
